This Award recognises their commitment to delivering service of the highest quality for its customers, trade suppliers and business associates.

The Australian Excellence Awards are a nationally recognised and self-funded Business Awards Program. In the current program year, there have been a large number of new business entrants from across the country; the latest Award Winners are among an esteemed group who have demonstrated the core values of excellence in business enterprise, customer service and e-commerce.

This Australian business has established itself as a Service Excellence leader. We congratulate the management team and its people for their determination to succeed in a broad marketplace with tough competition.

Luke Chiodo-Gurr, CEO at the Australian Excellence Awards personally congratulated them for their outstanding effort and commitment to leadership as a business that exhibits 'best practices'. Customers were clearly pleased too, as these testimonials proved;
